

SMOTHER A COUGH.

Press your hand hard enough over your mouth and you can smother a cough but you can't cure it that way. The outside is the wrong end to work on.

Scott's Emulsion thoroughly cures coughs because it strikes at the root of the trouble. The throat and lungs need a regular system of education to cure an old cough.

The point of value about Scott's Emulsion and coughs is that, while Scott's Emulsion does soothe the raw throat and lungs, it also nourishes and heals the inflamed areas.

It replaces inflamed tissue with healthy tissue—the only real cure for an old cough.

A VISIT TO THE GULICKS IN SPAIN

As I have just spent several days in Spain, I rejoice to bear my testimony to the efficiency of the mission of the American Board in Spain, under the devoted leadership of Mr. and Mrs. W. H. Gulick. The Spanish National Christian Endeavor Convention was held in Madrid, the capital, in June, and not in any one of the cities where the American Board churches are established; yet most of the pastors of these churches were in attendance upon it, and took a prominent part in the exercises, and I had an unusual opportunity to gauge their power and spirit. Never, in any mission field, have I seen pastors better fitted for their work, intellectually and spiritually. In fact, they would compare very favorably, in every way, with the pastors of the home churches.

The Spaniards are naturally an eloquent race, and such preachers as Rev. Henrique de Tienda, the president of the Christian Endeavor Union; Rev. Carlos Arango, the secretary; Rev. Miguel Barroso, and others, would honor any pulpit. The best of it is, that their spiritual earnestness is fully equal to their intellectual gifts. The convention was in every way a marked success; the doors of the four Protestant churches of Madrid were thrown open to it; the audiences were large and enthusiastic, and the promise for the still larger and more rapid growth and usefulness of the Christian Endeavor Society in Spain was unmistakable.

I had the pleasure, also, of examining the new site for the International Institute for Girls. I cannot see how a better location could have been chosen. The grounds are ample and conveniently located, in the best part of the city of Madrid. They were obtained at a very reasonable price, and are sure to increase in value. A spacious house, already on the grounds, cost but little and can be utilized in connection with the new school buildings. Evidently this famous institute is about to enter upon a new era of prosperity and power.

Better than all, it is distinctly and uncompromisingly a Christian school. Mrs. Alice Gordon Gulick, its founder and head, is not ashamed to be known as a Christian missionary, and her highest aim is to have the spiritual development of the girls keep pace with their intellectual growth. In this she has admirably succeeded, and while her graduates, as is well known, have carried off the highest honors in the university examinations, a feat never before accomplished or even attempted by a woman in Spain, they have also, almost without exception, engaged in evangelistic work after graduation, and have become powerful for good in their own communities. Such a school is the pride of the largest confidence and support of the Christian public. It only remains to be said that, in spite of the late "unpleasantness" between Spain and America, the feeling towards American Christians seems to be most hearty and even affectionate. Never, surely, did one receive a kinder welcome or "send-off" than was accorded to the writer, and he left Ma-

drid feeling most hopeful for the intellectual and spiritual regenerating of this ancient land.—Rev. F. E. Clark in Missionary Herald.

GREAT GRUMBLERS

Grumbling Will Cease if Honolulu People Follow This Advice.

Backache is the first grumbling warning. The kidneys give it, if you heed it not. Look out for trouble, it will surely come. Urinary trouble, kidney trouble and many miseries. Doan's Backache Kidney Pills are made for kidneys only. They cure every form of kidney ailment. The experiences of Honolulu people prove this.

Here's a case in point. Mr. F. Metcalf, of this city, gives us the following information: "I was afflicted with a painful feeling in my back for over five years. The various remedies resorted to did me no good, until, falling in with the advice of a friend (Mr. W. J. Maxwell), I procured at the Hollister Drug Co.'s some of Doan's Backache Kidney Pills. I had hardly finished taking them when the pain left me altogether, and I now feel that I have been completely cured of the terrible suffering I underwent formerly. By keeping a box of the pills in the house I am fortified against any possible return of my complaint at future times. It seems almost miraculous that the pains should have vanished so speedily. All sufferers from backache should get some of Doan's Backache Kidney Pills."

Doan's Backache Kidney Pills are sold by all druggists at 50 cents a box, six boxes for \$2.50, or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.
